Burgonéo Aligoté

Burgonéo Aligoté is a dry white wine made of 100% aligoté grapes. This varietal only grows in Burgundy and produces a crispy, fruity wine.

A moment of pleasure to share with friends, Burgonéo Aligoté is a first class choice for finger-food parties or summer BBQs. Burgonéo Aligoté is also the perfect ingredient for wine-based cocktail with fruits liqueurs (strawberry, raspberry, ...)

Burgonéo Chardonnay

Chardonnay may be harvested throughout the world, there is little doubt that it acquired its prestige in Burgundy.

Burgonéo Chardonnay is a rich, generous dry white wine.

The nose starts with fresh floral notes, whilst the palate has a good kick of butter, nuts and cream.

A pleasant wine that will match salmon en croûte or roasted chicken breast . Its vanilla and candied fruits notes will also compliment top quality world food, especially Asian.

Burgonéo Pinot Noir

Pinot Noir is the other King of grape varieties in Burgundy, the terroir where he best expresses all its finesse.

Burgonéo Pinot Noir is a well-balanced red wine, with length of blackberries and cherries, silky tannins and a great fruitiness.

Drink it with roast pigeon served in a red wine sauce with onions and mushrooms or strong cheeses.

Give it a chance on desserts too, using this superbe Pinot Noir to delicately poach pears and then sprinkle them with a touch of cinnamon.
